

Ponies on Parade

Discover the heart of **downtown Prosser** through its herd of wild horses—a series of 20 pony statues inspired by the natural beauty of the Painted Hills and Horse Heaven Hills.

Paying homage to Prosser's proud **Mustang spirit**, these colorful, hand painted statues bring art and community together in a meaningful way. Stroll through downtown and find your favorite!

1 *Pony #1, Patriot-o-War, is featured on the cover.*
